GENERAL PERENNIALS

Allium 'Medusa' PPAF

(Ornamental Onion)

- 'Medusa' forms a low mound of grey-green, narrow foliage with leaves that twist slightly at the end
- Buds straighten to form 1¾-2in rounded clusters of light amethyst purple flowers
- Similar in flower and foliage color to 'Blue Eddy', but in a much larger form
- Height: 20-24in
- Width: 24in
- Zones: 4-8

Alstroemeria FABIANA™

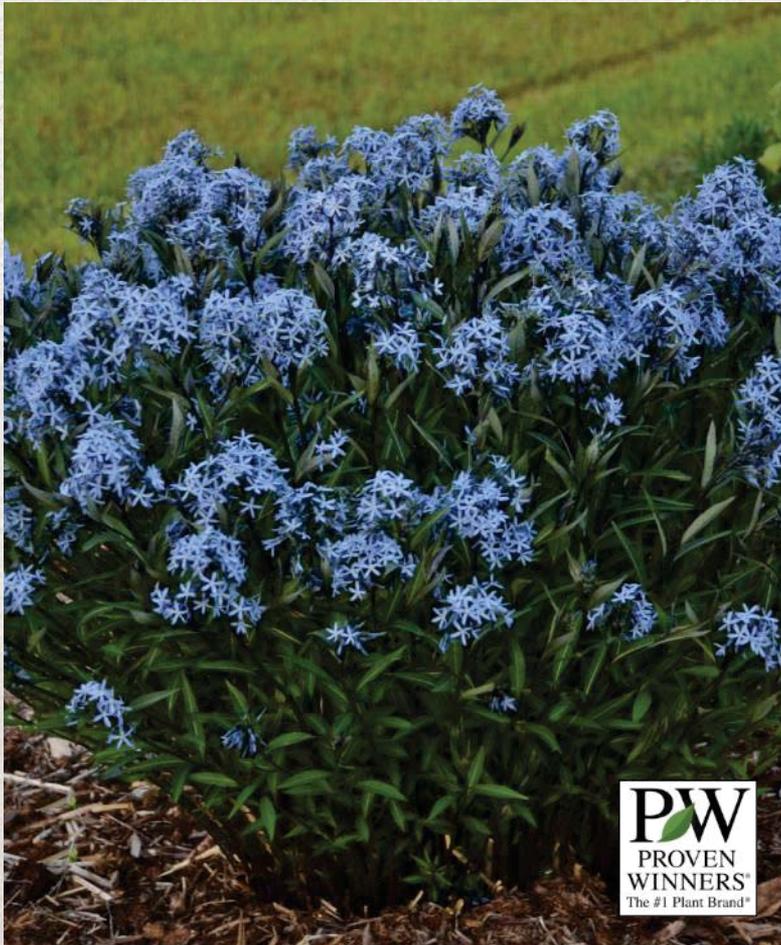

('Zaprifabi' 17911)

(Peruvian Lily)

- Creamy white 2in flowers continually cover the plant from early summer to frost
- Dark green leaves have streaky, creamy white margins
- We have successfully overwintered FABIANA™ for three winters (and counting) in our Zone 6a, heavy snow cover Michigan climate
- Height: 12-14in
- Width: 18-24in
- Zones: 6-11

Amsonia t. 'Storm Cloud'

(Blue Star)

- Dark black stems and dark leaves with silver veins as plant emerges
- Attractive, olive green foliage throughout the summer. Shrub-like in appearance.
- Light, periwinkle blue, star-shaped flowers
- Long blooming selection
- Height: 22-26in
- Width: 38-42in
- Zones: 4-9

Anemone DREAMING SWAN™ (‘Macane004’ PPAF)

(Anemone)

- ‘Dreaming Swan’ takes everything you liked about WILD SWAN™ and makes it bigger—larger flowers, larger leaves, and larger overall size
- Semi-double white flowers have lilac blue backs on the outermost petals
- Dark green leaves have a semi-glossy finish
- From Elizabeth MacGregor
- Height: 22-24in
- Width: 24-26in
- Zones: 6-9

Aquilegia 'Blue Jay'

Songbird Series

Photo Courtesy of Ivy Garth

(Columbine)

- 'Blue Jay' produces large, violet blue and white flowers
- Compact habit with large, long-spurred, showy upward-facing flowers measuring 3in in length on average
- Height: 20-28in
- Width: 18-24in
- Zones: 3-9

Baptisia 'Lavender Stardust' PPAF

(False Indigo)

- In early summer, blooms open lilac purple with pale yellow keels and lighten to dusty lavender purple
- 'Lavender Stardust' has extremely long, 18" flower spikes that extend high above the full, wide clump of foliage
- This easy to grow, extremely long-lived perennial will make a large, eye-catching specimen in your garden
- Height: 3-3½ft
- Width: 3½-4ft
- Zones: 4-9

Buddleia 'Prince Charming' PPAF MONARCH® Collection

(Butterfly Bush)

- 10in long flower spikes have stunning bright cerise pink color
- Blooms in late summer
- Long blooming selection
- Gumdrop shaped habit
- Height: 3½-4ft
- Width: 3½-4ft
- Zones: 5-10

Clematis 'Innocent Glance'

(Clematis)

- This flowering vine produces fully double, 5-6in pale pink flowers that are edged with a darker pink margin
- Secondary flowers on new wood are single with similar coloration, with petals typically pointing upward
- Blooms nearly continuously from May to the end of July
- Height: 6-7ft
- Zones: 4-8

Coreopsis 'Crazy Cayenne' PPAF

SIZZLE & SPICE™ Series

(Threadleaf Coreopsis)

- Fiery sunset orange flowers have intense red-orange coloring at the center of the flowers
- Members of this collection come in a variety of vibrant, eye-catching colors
- Each plant has a compact, rounded habit and blooms both profusely and heavily from early to late summer
- Height: 15-18in
- Width: 22-26in
- Zones: 5-9

Coreopsis 'Curry Up' PPAF

SIZZLE & SPICE™ Series

(Threadleaf Coreopsis)

- Golden yellow flowers have clear, dark red eyes
- Members of this collection come in a variety of vibrant, eye-catching colors
- Each plant has a compact, rounded habit and blooms both profusely and heavily from early to late summer
- Height: 15-18in
- Width: 22-26in
- Zones: 5-9

Coreopsis 'Hot Paprika' PPAF

SIZZLE & SPICE™ Series

(Threadleaf Coreopsis)

- Flowers are a mix of both rich and deep tones
- Members of this collection come in a variety of vibrant, eye-catching colors
- Each plant has a compact, rounded habit and blooms both profusely and heavily from early to late summer
- Height: 15-18in
- Width: 22-26in
- Zones: 5-9

Coreopsis 'Zesty Zinger' PPAF

SIZZLE & SPICE™ Series

(Threadleaf Coreopsis)

- Light ivory flowers have dark magenta centers that spread out along the petals
- Members of this collection come in a variety of vibrant, eye-catching colors
- Each plant has a compact, rounded habit and blooms both profusely and heavily from early to late summer
- Height: 15-18in
- Width: 22-26in
- Zones: 5-9

Delphinium e. 'Million Dollar Blue'

(Hybrid Bee Delphinium)

- Offering a shorter option for Hybrid Bee Delphiniums, this new Delphinium is the perfect match to 'Million Dollar Blush'
- Large spikes of semi-double to double true blue flowers have very erect stems
- Blooms in early summer and then again in late summer or early fall
- very heat tolerant as well as being cold hardy to zone 3
- Height: 2½-3ft
- Width: 1½-2ft
- Zones: 3-7

Dianthus FRUIT PUNCH®

'Black Cherry Frost' PPAF CPBRAAF

(Pinks)

- 'Black Cherry Wild' Improvement
- Rich, semi-double velvety red flowers with a fine, serrated, light pink edge
- More consistent, formal flowers
- Silvery blue foliage
- Height: 8in
- Width: 12in
- Zones: 4-9

Photo Courtesy of Proven Winners®

Dianthus FRUIT PUNCH®

'Spiked Punch' PPAF CPBRAf

(Pinks)

- Vibrant, double flowers of fuchsia pink with a deep red eye
- Large bloom size: 1½-2in
- Steel blue foliage
- Full sun to light shade
- Height: 6-8in
- Width: 10in
- Zones: 4-9

Photo Courtesy of Proven Winners®

Dianthus 'Paint the Town Fuchsia'

PPAF CPBRAf

(Pinks)

- Single, serrated fuchsia blooms with lavender centers
- Performed well in trials for heat and humidity tolerance in the South
- Low, spreading glaucous blue foliage
- Height: 6in
- Width: 12in
- Zones: 4-9

Dianthus 'Paint the Town Magenta'

PPAF CPBRAf

(Pinks)

- Single, vibrant magenta pink flowers with great fragrance
- Glaucous, blue foliage
- Performed well in trials for heat and humidity tolerance in the South
- Height: 6in
- Width: 10in
- Zones: 4-9

Echinacea 'Delicious Candy' PPAF

Photo Courtesy of Marco van Noort

(Coneflower)

- The color on this double coneflower is practically fluorescent, with glowing fuchsia pink flowers
- 'Delicious Candy' is one of the first Echinacea to flower and stays fresh looking long into the season
- This coneflower also has attractive dark green leaves and dark stems on compact plants
- Height: 18-24in
- Width: 14-16in
- Zones: 4-9

Echinacea DOUBLE SCOOP™ Mandarin ('Balscandin' PPAF)

(Coneflower)

- Fluorescent orange pom-pom flowers really stop you in your tracks with intense color
- Unlike taller double varieties that tend to lodge, this Echinacea supports the weight of its large, 4in wide flowers with better, shorter stems
- With age, flowers take on dark rosy pink tones
- Height: 18-22in
- Width: 18-22in
- Zones: 4-9

Echinacea SOMBRERO®

Adobe Orange ('Balsomador' PPAF)

(Coneflower)

- 2½-3in, intense orange flowers will make other Echinacea pale in comparison, with a matching orange cone that really makes the color pop
- Dark green foliage is completely covered with flowers
- Height: 18-20in
- Width: 18-20in
- Zones: 4-9

Festuca g. 'Blue Whiskers' PPAF

(Blue Fescue)

- Compared to 'Elijah Blue', 'Blue Whiskers' is a taller, more vigorous variety, with longer leaves and a brighter blue foliage color
- The finely textured, bright silvery blue leaves form a fully rounded, robust clump with consistent flower coverage across the habit
- Height: 10-12in
- Width: 24-28in
- Zones: 4-8

Schizachyrium s. PRAIRIE WINDS®

'Blue Paradise' PPAF CPBRAf

(Little Bluestem, Ornamental Grass)

- Upright habit that maintains through fall
- Striking silver-blue stems in summer
- Fall sees the leaves turn a deep wine-purple color
- Tiny tan seed heads appear on the top half of the stems in early fall
- Height: 3-3½ft
- Width: 2ft
- Zones: 3-9

Heliopsis *h.* 'Sunstruck' PP25524

Photo Courtesy of Ball Horticultural Company

(False Sunflower)

- 2" large, golden yellow flowers appear above the cream and green variegated foliage
- 'Sunstruck' blooms all through summer until fall
- This is the perfect height for smaller spaces in the garden or for combination containers
- Height: 14-16in
- Width: 12-14in
- Zones: 4-9

Hemerocallis 'Big Time Happy'

(Daylily)

- 'Big Time Happy' shares a similar canary yellow flower color to 'Happy Returns', but boasts 4in wide flowers, nearly an inch wider
- Slightly ruffled petals open flat to display the rich yellow color, and blooms from early summer to frost
- Height: 18in
- Width: 18-24in
- Zones: 3-9

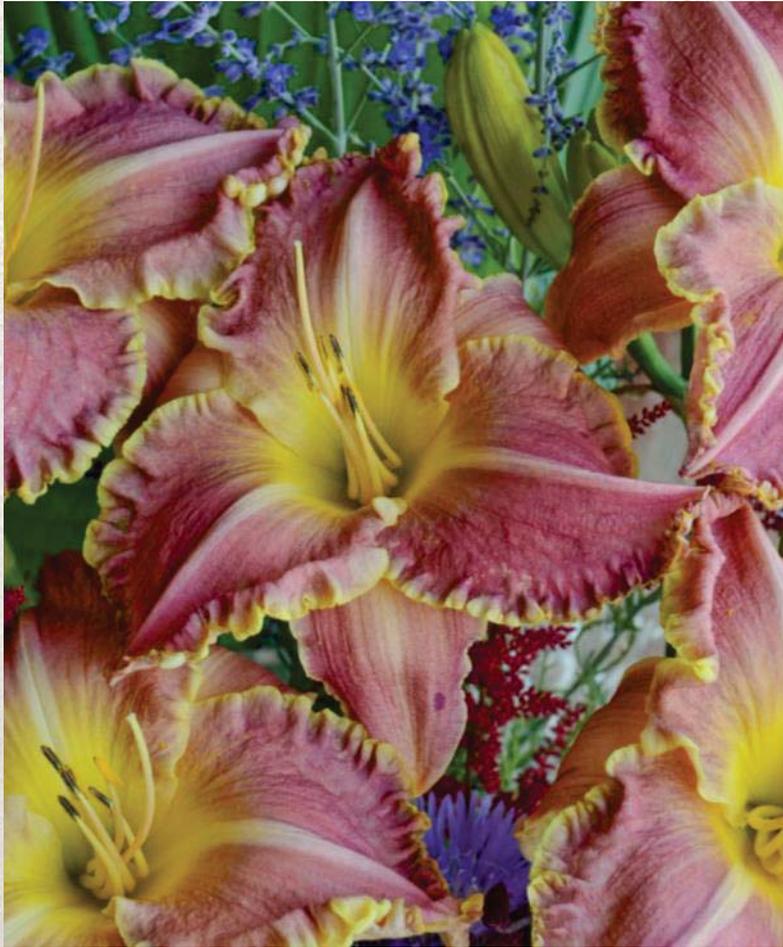

Hemerocallis 'Collier'

(Daylily)

- 'Collier' is a polychrome daylily, or in other words, boasts a blend of colors. Colors include pink, gold, cream and yellow
- The golden yellow color is concentrated in the center of the petals, just above the tiny lime green throat
- Very attractive ruffling
- Although it's not registered as such, we have observed very good rebloom in our fields
- Height: 28in
- Width: 18-24in
- Zones: 3-9

Hemerocallis 'Judy Judy'

(Daylily)

- 6in lavender flowers are strongly fragrant with a ruffled yellow picotee edge and a prominent creamy yellow throat
- This daylily has strong, well-branched scapes with lots of buds for an explosion of boom in midsummer
- Height: 28in
- Width: 18-24in
- Zones: 3-9

Hemerocallis 'Magic Amethyst'

(Daylily)

- 5½in amethyst lavender flowers have a light lemon yellow throat with a soft and sweet fragrance
- Each flower has a slightly deeper lavender purple halo
- Thick scapes with three-way branching and lots of buds make this a great daylily for the early midseason
- Height: 27in
- Width: 18-24in
- Zones: 3-9

Hemerocallis RAINBOW RHYTHM® 'Tiger Swirl'

(Daylily)

- Similar flower shape (spider) to 'Primal Scream'
- 6½-7in wide flowers, light golden yellow with raspberry red eye
- Height: 32in
- Width: 18-24in
- Zones: 3-9

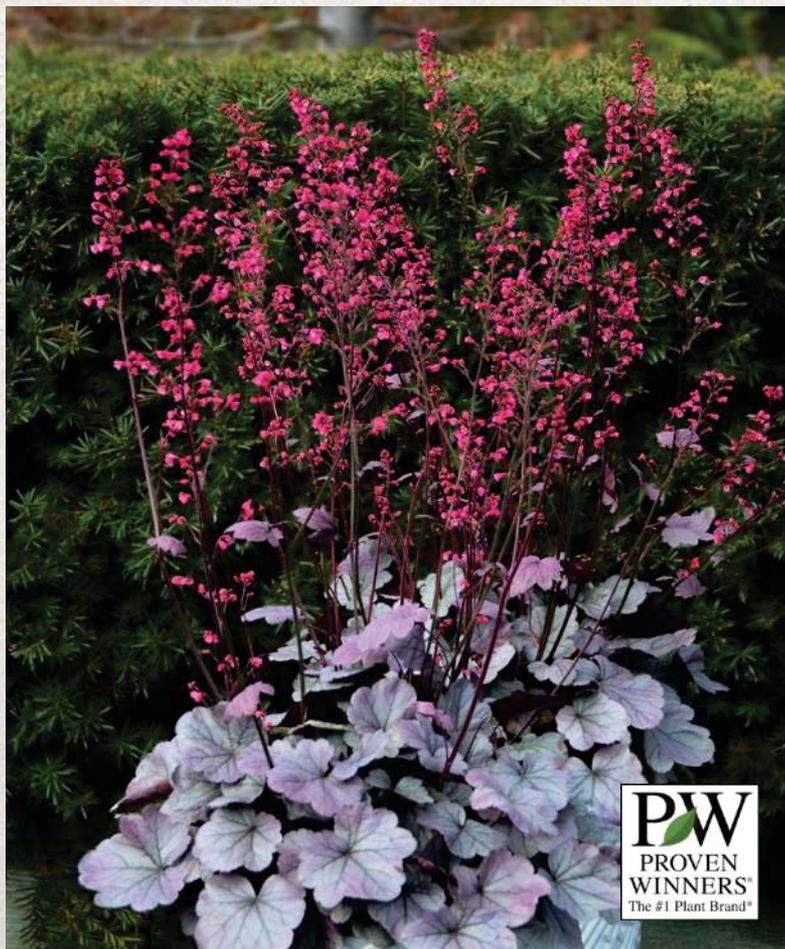

Heuchera DOLCE® 'Appletini' PPAF CPBRAf

(Coral Bells)

- Lime green foliage with silver overlay
- Rich, ruby red flowers
- Profusion of blooms
- Foliage Height: 10in
- Flower Height: 20in
- Width: 28-30in
- Zones: 4-9

Heuchera DOLCE® 'Silver Gumdrop' PPAF CPBRAf

(Coral Bells)

- Silver, iridescent leaves with a semi-glossy finish.
- Foliage similar to 'Stainless Steel'
- Vibrant, bright pink flowers
- Foliage Height: 6-8in
- Scape Height: 20-24in
- Width: 14in
- Zones: 4-9

Heuchera PRIMO™ 'Black Pearl' PPAF CPBRAAF

(Coral Bells)

- Ruffled jet black foliage with shiny leaves
- Rosy purple undersides
- White flowers with a pale pink cast
- Darkest foliage Heuchera we've seen!
- Foliage Height: 8-10in
- Scape Height: 18in
- Width: 18-20in
- Zones: 4-9

Heuchera PRIMO™

'Pretty Pistachio' PPAF CPBRAf

(Coral Bells)

- Chartreuse foliage in spring transitioning to lime color in summer.
- Robust habit with larger leaves
- Consistent, summer long blooming
- Pink flowers
- Foliage Height: 8-10in
- Scape Height: 24in
- Width: 28-30in
- Zones: 4-9

Heuchera 'Electric Plum' PPAF

(Coral Bells)

- The foliage on this Heuchera is electrifyingly bright
- New leaves emerge near black and lighten to an intense purple with dramatic black veining
- Fuchsia pink flowers are produced on matching near black stems
- Does not require vernalization to bloom
- Foliage Height: 8-10in
- Scape Height: 22-24in
- Width: 16-18in
- Zones: 4-9

Heuchera 'Rose Quartz' PPAF

(Coral Bells)

- Newest leaves emerge dusty rose and transition to a light pewter with charcoal veining
- Touches of rose linger into the summer, giving the foliage a multi-dimensional effect
- In midsummer rosy pink buds open to cream flowers
- Foliage Height: 6-8in
- Scape Height: 16-20in
- Width: 10-12in
- Zones: 4-9

Heucherella FUN AND GAMES®

'Hopscotch' PPAF CPBRAf

(Foamy Bells)

- Bronze red lobed leaves with darker red centers (brighter red in May)
- Cream flowers
- Foliage Height: 11 in
- Scape Height: 18 in
- Width: 22 in
- Zones: 4-9

Heucherella FUN AND GAMES® 'Red Rover' PPAF CPBRA

(Foamy Bells)

- Copper red leaves with burgundy centers
- Long, lobed foliage provides a unique appeal for containers
- Dark, burgundy rose stems hold pink buds that open to creamy white flowers
- Foliage Height: 6-8in
- Scape Height: 28-34in
- Width: 18-20in
- Zones: 4-9

Heucherella 'Catching Fire' PPAF

(Foamy Bells)

- Vibrant lime green leaves are rounded and refined
- Each leaf has a very defined flame-shaped markings that are cherry red in color
- In summer leaf centers darken to mahogany
- Cream flowers appear in early summer
- Foliage Height: 8-10in
- Scape Height: 16-20in
- Width: 16-20in
- Zones: 4-9

Heucherella 'Galactica' PPAF

(Foamy Bells)

- 5in large, dissected silvery green leaves have incredibly deep colored veining and form a very full, rounded clump
- Newest leaves are olive green with a purple cast
- Cream flowers appear in early summer
- Foliage Height: 8-10in
- Scape Height: 16-20in
- Width: 16-20in
- Zones: 4-9

Heucherella 'Pumpkin Spice' PPAF

(Foamy Bells)

- Bronze red leaves emerge in late spring and hold its color well into early summer
- Each 4" lobed leaf has deep mahogany centers that follow the veins of the leaf
- Dark red stems hold cream flowers that appear in early summer
- Foliage Height: 8-10in
- Scape Height: 16-20in
- Width: 18-22in
- Zones: 4-9

Hibiscus SUMMERIFIC® 'Ballet Slippers' PPAF CPBRAAF

(Rose Mallow)

- Compact, glossy dark green foliage
- Ruffled white flowers with a pink rim.
- Soft, feminine color
- Perfect round habit with an extremely high bud count
- Height: 4ft
- Width: 5ft
- Full Sun to Light Shade
- Zones: 4-9

Hibiscus 'Summer in Paradise' PPAF

(Rose Mallow)

- Compact variety that keeps its refined habit of medium green, maple like foliage
- Attractive, large flowers begin blooming in late summer from top to bottom of the plant
- Deep red buds open to 7-8in hot cerise flowers
- Height: 3-3 ½ft
- Width: 3½-4ft
- Zones: 4-9

Hosta 'Munchkin Fire'

Photo Courtesy of Randy Goodwin

(Hosta)

- Short and narrow leaves hold their bright yellow color all season long
- Since the leaves are so narrow, there isn't a prominent leaf base, and the leaves simply taper to become part of the petiole
- Lavender flowers appear above the petite habit in midsummer
- Foliage Height: 7in
- Scape Height: 20in
- Width: 15in
- Zones: 3-9

Hosta 'One Last Dance' PPAF

(Hosta)

- Sport of 'Dancing Queen'
- Has dark green centers and very wide yellow margins
- Dramatic margins have irregular patterns varying from ½ to 2½" creating a very feathery look
- The intense yellow margins mellow to chartreuse by midsummer
- Foliage Height: 16in
- Scape Height: 40in
- Width: 38in
- Zones: 3-9

Hosta 'School Mouse' PPAF

(Hosta)

- Sport of 'Church Mouse'
- 'School Mouse' shares all the same great features as its parent but possesses a clearly defined yellow margin
- Thick, coarsely wavy leaves have blue-green to green centers and creamy yellow margins
- Proportionate scapes carry lavender flowers in early summer
- Foliage Height: 8in
- Scape Height: 14in
- Width: 12in
- Zones: 3-9

Hosta 'Sun Mouse' PPAF

(Hosta)

- Brilliant yellow leaves that hold their yellow color well into summer
- Compared to 'Blue Mouse Ears', 'Sun Mouse' is a little bit shorter and wider
- Lavender flowers appear in midsummer
- From Tony Avent
- Foliage Height: 6in
- Scape Height: 18in
- Width: 12in
- Zones: 3-9

Hosta 'Wrinkle in Time' PPAF

(Hosta)

- This sport of the classic variety 'Pilgrim' shows a little more character with showy, wavy margins
- Dark green leaves have creamy yellow margins in spring, maturing to creamy white margins in summer
- Lavender flowers appear above the foliage in midsummer.
- Foliage Height: 9in
- Scape Height: 15in
- Width: 29in
- Zones: 3-9

Iris 'Maui Moonlight'

Photo Courtesy of Bouwmeester Plants

(Intermediate Bearded Iris)

- Bright lemon yellow flowers have incredibly ruffled edges and blooms midseason
- Great branching means good flower power in the landscape
- Height: 23in
- Width: 18-24in
- Zones: 3-9

Iris 'Night Owl'

Photo Courtesy of Bouwmeester Plants

(Tall Bearded Iris)

- Rich, near-black, dark violet-blue flowers
- In bright sunlight, you'll notice the velvety texture of the petals
- Light ruffling make this iris very eye-catching and attractive
- Height: 38in
- Width: 18-24in
- Zones: 3-9

Iris 'Shipshape'

Photo Courtesy of Bouwmeester Plants

(Tall Bearded Iris)

- Classic blue iris with a long flowering season because of its high bud count
- Medium blue flowers are large and wide with attractive ruffling and flaring
- Height: 38in
- Width: 18-24in
- Zones: 3-9

Iris 'Sultan's Palace'

Photo Courtesy of Bouwmeester Plants

(Tall Bearded Iris)

- Velvety maroon-red petals have slightly ruffled falls for a graceful look
- Height: 34in
- Width: 18-24in
- Zones: 3-9

Iris 'Titan's Glory'

Photo Courtesy of Bouwmeester Plants

(Tall Bearded Iris)

- Fragrant, intensely dark violet purple flowers are large and ruffled
- An early to mid-season selection
- Height: 37in
- Width: 18-24in
- Zones: 3-9

Iris s. 'Over in Gloryland'

(Siberian Iris)

- 5in wide, deep blue-purple standards and falls have a light yellow and cream blaze with blue-purple veining
- Height: 34in
- Width: 18-24in
- Zones: 3-9

Lagerstroemia 'Bubble Tea' PPAF

BARISTA™ Collection

(Crapemyrtle)

- In late summer, the round habit explodes with flower buds that bubble up to the top of the shrub with enormous, triangular-shaped bright lilac purple flower clusters
- Green seed pods follow the flowering performance
- Attractive, semi-glossy, medium green foliage
- Height: 2½-3ft
- Width: 3- 3½ft
- Zones: 6-9

Lagerstroemia 'Spiced Plum' PPAF BARISTA™ Collection

(Crapemyrtle)

- 'Spiced Plum' impresses with raspberry purple flowers are produced alongside its rosy red flower buds
- Green seed pods follow the flowering performance
- Dark red stems hold deep green leaves with heavy olive highlights
- Height: 2-2½ft
- Width: 3-3½ft
- Zones: 6-9

Leucanthemum s. 'Spoonful of Sugar' PPAF

(Shasta Daisy)

- Giant 4½in, creamy white flowers have two rows of very long petals
- Incredibly compact, dome-like habit, with flowers produced almost all the way to the ground
- 'Spoonful of Sugar' is a free-flowering variety
- Height: 16-18in
- Width: 28-32in
- Zones: 5-9

Lupinus *p.* MINI GALLERY™ Series Blue Bicolor

Photo Courtesy of HM Clause

(Lupine)

- From HM Clause in France, this series is touted as being more compact, more floriferous, and earlier blooming than it's counterpart Gallery Series
- Blue and white flowers
- Height: 14-16in
- Width: 7-9in
- Zones: 4-8

Lupinus *p.* MINI GALLERY™ Series Pink Bicolor

Photo Courtesy of HM Clause

(Lupine)

- From HM Clause in France, this series is touted as being more compact, more floriferous, and earlier blooming than its counterpart Gallery Series
- Pink and white flowers
- Height: 14-16in
- Width: 7-9in
- Zones: 4-8

Lupinus *p.* MINI GALLERY™ Series Red

Photo Courtesy of HM Clause

(Lupine)

- From HM Clause in France, this series is touted as being more compact, more floriferous, and earlier blooming than its counterpart Gallery Series
- Solid red flowers
- Height: 14-16in
- Width: 7-9in
- Zones: 4-8

Lupinus *p.* MINI GALLERY™ Series Yellow

Photo Courtesy of HM Clause

(Lupine)

- From HM Clause in France, this series is touted as being more compact, more floriferous, and earlier blooming than it's counterpart Gallery Series
- Solid yellow flowers
- Height: 14-16in
- Width: 7-9in
- Zones: 4-8

Monarda 'Blue Moon' PPAF

SUGAR BUZZ® Series

(Bee Balm)

- Members of this series are similar in size, bloom time, and vigor
- All fill out the container well with their dark green, mildew resistant foliage
- Blooms from midsummer into late summer
- Lavender blue flowers are held by attractive purple bracts. A breakthrough, shorter height for this color
- Height: 20in
- Width: 18-22in
- Zones: 4-8

Monarda 'Pink Frosting' PPAF

SUGAR BUZZ® Series

(Bee Balm)

- Members of this series are similar in size, bloom time, and vigor
- All fill out the container well with their dark green, mildew resistant foliage
- Blooms from midsummer into late summer
- Pastel pink flowers form a carpet of blossoms that completely cover the foliage
- Height: 14-16in
- Width: 18-24in
- Zones: 4-8

Paeonia 'Joanna Marlene'

(Itoh Intersectional Peony)

- 'Joanna Marlene' produces 4-6in, semi-double soft yellow blossom
- This peony takes on more peachy tones as the flowers mature, with pink guard flowers
- From Roger Anderson
- Height: 24-26in
- Width: 36-40in
- Zones: 4-9

Penstemon 'Blackbeard' PPAF

(Beardtongue)

- Dark purple flower stems hold lilac purple flowers with their white flaring tubes high
- Deep eggplant purple leaves form a low mound
- Attractive dark burgundy seed pods follow the flowering performance for extended seasonal interest
- 'Blackbeard' stays strictly upright all season long with no lodging
- Height: 28-34in
- Width: 24in
- Zones: 3-8

Perovskia *a.* 'Blue Jean Baby'

PPAF

(Russian Sage)

- A shorter, more manageable Russian Sage that is still vigorous
- Lavender blue flowers held in smoky purple calyxes bloom for a long period starting in midsummer
- One of the earliest Perovskia to bloom
- Resists lodging
- Height: 28-34in
- Width: 36in
- Zones: 4-9

Phlox 'Amethyst Pearl' PPAF

(Hybrid Phlox)

- Behaves like 'Minnie Pearl'
- Light amethyst pink flowers with a white eye are produced in loose, rounded panicles in early summer
- Reblooms in early fall
- Glossy, bright green foliage stays clean all season
- Height: 18in
- Width: 18in
- Zones: 3-8

Phlox EARLY PINK DARK EYE™ (‘Barphlearpideye’ PPAF)

(Hybrid Phlox)

- Light pink flowers have dark pink eyes
- The goal of the Early Start series was to introduce varieties that bloom 2-3 weeks earlier and are more compact than Phlox *paniculata*
- Height: 12-16in
- Width: 16in
- Zones: 4-8

Phlox 'Fashionable Early Crystal'

PPAF

(Hybrid Phlox)

- Pure white flowers have a faint light purple eye
- The Fashionably Early Series was bred for quality of habit, mildew resistance, bloom power, and early blooming
- Bloom 2-3 weeks ahead of Phlox *paniculata*
- Height: 28-36in
- Width: 26-30in
- Zones: 4-8

Phlox 'Fashionably Early Flamingo' PPAF

(Hybrid Phlox)

- Light lavender-pink flowers
- The Fashionably Early Series was bred for quality of habit, mildew resistance, bloom power, and early blooming
- Bloom 2-3 weeks ahead of *Phlox paniculata*
- Height: 28-36in
- Width: 26-30in
- Zones: 4-8

Phlox 'Fashionably Early Lavender Ice' PPAF

(Hybrid Phlox)

- Pale lavender flowers have a lavender-pink eye
- The Fashionably Early Series was bred for quality of habit, mildew resistance, bloom power, and early blooming
- Bloom 2-3 weeks ahead of Phlox *paniculata*
- Height: 28-36in
- Width: 26-30in
- Zones: 4-8

Phlox 'Fashionably Early Princess'

PPAF

(Hybrid Phlox)

- Light fuchsia-pink flowers have a dark pink eye
- The Fashionably Early Series was bred for quality of habit, mildew resistance, bloom power, and early blooming
- Bloom 2-3 weeks ahead of Phlox *paniculata*
- Height: 28-36in
- Width: 26-30in
- Zones: 4-8

Phlox *p.* FLAME™ Series – Red (‘Barphlpanflamazred’ PPAF)

Photo Courtesy of Dummen Orange

(Tall Garden Phlox)

- Intense red flowering selection
- The FLAME™ Series is a group of naturally dwarf, compact cultivars
- Replaces existing cultivar produced under the same name
- Height: 15-18in
- Width: 18in
- Zones: 3-8

Phlox *b.* 'Top Notch'

(Cleft Phlox)

- Unique periwinkle blue flowers
- Great flower coverage
- Neat habit
- Cleft Phlox refers to the deeply cleft petal lobes, giving the flowers more of a feathery look than you would get from Phlox *subulata* varieties
- Low, restrained mound of fragrant flowers
- Does not spread aggressively
- Height: 6-8in
- Width: 16-18in
- Zones: 4-8

Phlox 'Violet Pinwheels' PP25884

(Hybrid Phlox)

- Violet purple flowers nearly glow with intensity when it is in bloom
- Notched, upturned petals look like tiny pinwheels
- Behaves similarly to Phlox *subulata*, but grows lower to the ground, spreads slowly, and is more restrained
- From Jim Ault
- Height: 4-5in
- Width: 24-36in
- Zones: 4-8

Sanguisorba o. var. m. 'Little Angel'

Photo Courtesy of Marco van Noort

(Burnet)

- Compact, variegated plant perfect for the front of the border
- Tiny, deep green leaves have creamy white margins and form a dense, petite clump
- Bright green stems hold long, oval-shaped rosy red flower panicles
- Height: 8-10in
- Width: 10-12in
- Zones: 4-8

Sedum 'Night Embers' PPAF

(Autumn Stonecrop)

- Strictly upright habit of dark black-purple, semi-glossy succulent leaves
- Small clusters of light mauve pink flowers are produced on deep red stems
- With a narrow base and a vase-like habit, this perennial combines well with shorter companions in a limited space
- Height: 24-26in
- Width: 24-26in
- Zones: 3-9

Sedum 'Over the Moon' PPAF

(Autumn Stonecrop)

- 'Over the Moon' transitions through many different phases throughout the growing season, starting with a wide habit of dark olive green leaves rimmed with rose
- Very refined flowers appear in late summer to early fall
- Large flower heads of creamy white blossoms age to blush rose
- Height: 16-18in
- Width: 22-24in
- Zones: 3-9

Strawberry – *Fragaria a.* 'Ruby Ann'

Photo Courtesy of ABZ Seeds

(Ornamental and Edible Strawberry)

- In addition to the sweet, medium sized fruit, 'Ruby Ann' produces beautiful ruby-red flowers
- Combining showy flowers and delicious fruit, this everbearing strawberry can be grown as both an ornamental and edible perennial fruit
- Height: 8-12in
- Width: 24-36in
- Zones: 4-8

Strawberry – *Fragaria a.* 'Toscana'

Photo Courtesy of ABZ Seeds

(Ornamental and Edible Strawberry)

- 'Toscana' has large, deep rose pink flowers and dark red, juicy fruit
- Combining showy flowers and delicious fruit, this everbearing strawberry can be grown as both an ornamental and edible perennial fruit
- Height: 8-12in
- Width: 24-36in
- Zones: 4-8

Strawberry 'White Carolina'

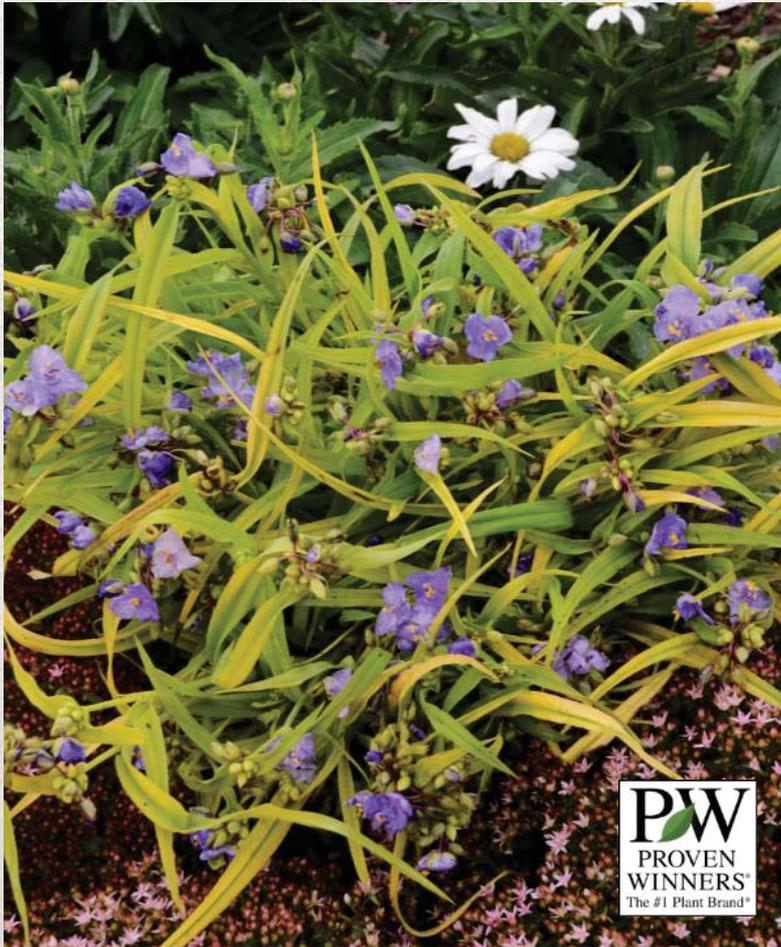

(Pineberry, Edible Strawberry)

- 'White Carolina' is a hybrid between two species of strawberries; which results in a pale pink to white color of fruit
- People who have tried this hybrid think that it tastes like pineapple
- Height: 6-8in
- Width: 12-18in
- Zones: 4-8

Tradescantia 'Charlotte's Web'

PPAF CPBRA

(Spiderwort)

- Chartreuse green foliage transitions to gold
- No burning in full sun in Michigan like other chartreuse leaved forms
- Upright, mounded habit with soft blue flowers
- Height: 16-18in
- Width: 24-26in
- Zones: 3-9

Vernonia 'Southern Cross'

Photo Courtesy of Intrinsic Perennials

(Ironweed)

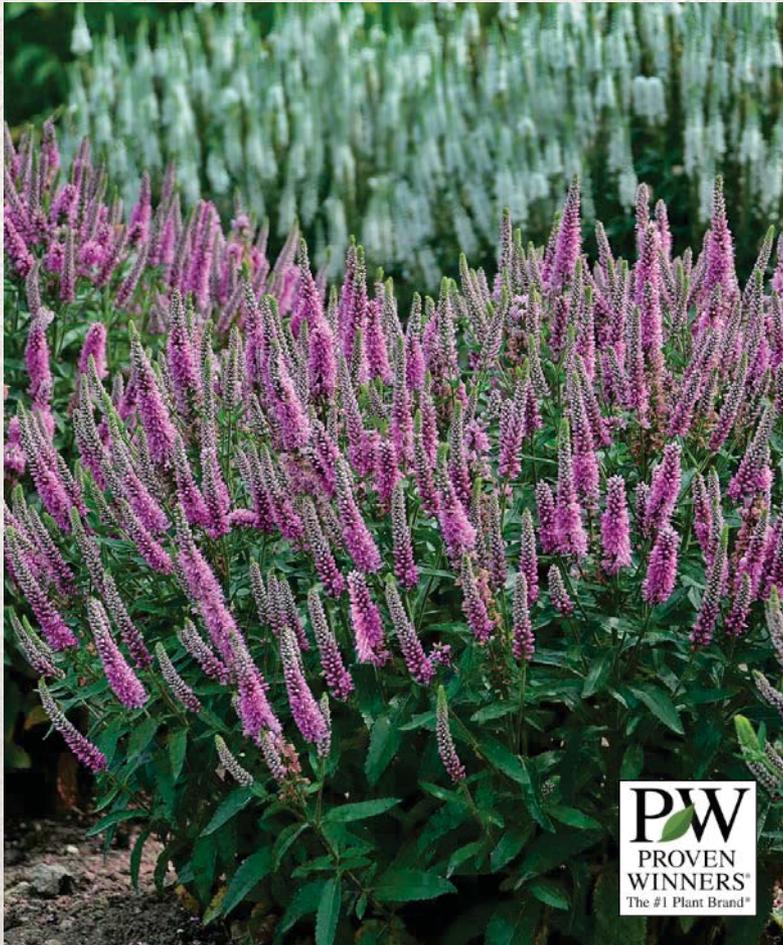

- 'Southern Cross' is a relatively short, vase-like habit of long, thin leaves, similar in look to *Amsonia hubrichtii*
- Attractive, textured deep green foliage
- Blooms in late summer, producing an airy dome of small purple flowers
- Height: 4-4½ft
- Width: 4-4½ft
- Zones: 4-9

Veronica MAGIC SHOW® 'Pink Potion' PPAF CPBRAf

(Spike Speedwell)

- Improvement on 'Sweet Lullaby'
- Medium pink flowers
- Vigorous growth rate with deep green foliage
- Height: 14-16in
- Width: 16in
- Zones: 4-8

Veronica 'Blue Skywalker' PPAF

(Spike Speedwell)

- Tall blue variety
- Lavender blue flowers cover the top ½ of the plant, spaced about 1" apart
- Dark green foliage
- Columnar habit is taller than it is wide
- Height: 28-32in
- Width: 24-26in
- Zones: 4-9

Veronica 'Perfectly Picasso' PPAF

(Spike Speedwell)

- Stunning bi-color Veronica
- Buds are pure white, deepening to a medium pink for the flower. The contrast between the white and the pink give this plant a unique look
- Larger Veronica, but the flowers cover the top ½ of the plant
- Round habit—as tall as it is wide
- Height: 24in
- Width: 24in
- Zones: 4-9

Veronica 'Royal Rembrandt' PPAF

(Spike Speedwell)

- Attractive paintbrush type flowers are violet purple in color
- A Remontant bloomer, 'Royal Rembrandt' comes back strong late in the season with no vernalization
- Dark green foliage is disease resistant
- Height: 18-20in
- Width: 18-20in
- Zones: 4-9

TEMPERENNIALS

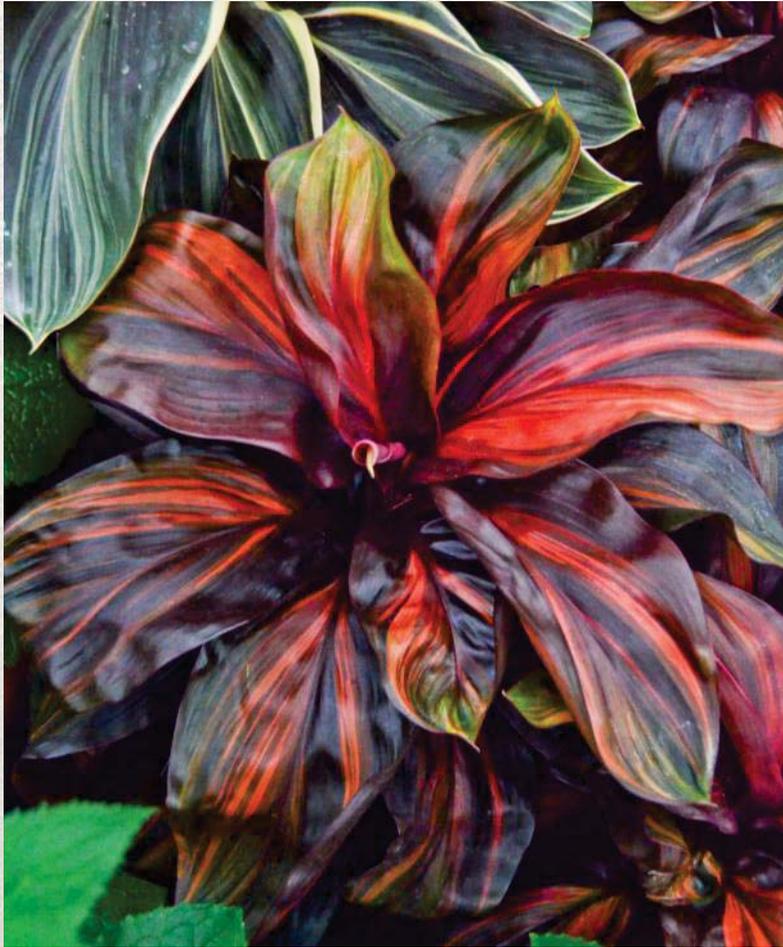

Agave n. 'Sunspot'

(New Mexico Agave)

- Small scale Agave is a yellow margined sport of *A. neomexicana*
- Dark blue-green glaucous leaves have creamy yellow margins and form a rigid rosette only about one foot tall
- A 1½in long brown terminal spine extends from each leaf, and very well-defined spines also line the margins
- Height: 10-12in
- Width: 15-18in
- Zones: 7b-10

Cordyline *t.* 'Cherry Cordial' PPAF

(Ti Plant, Palm Lily)

- A sport of 'Chocolate Queen'
- Mahogany leaves are streaked with olive green and bright red
- This plant forms an upright stalk of wide, strap-like foliage
- Height: 18-24in
- Width: 12-18in
- Zones: 10-11

Manfreda *u.* 'Mint Chocolate Chip' PPAF MAD ABOUT MANGAVE™ Collection

(Deciduous Perennial Agave)

- Leaves are minty green with near black spotting evident on fronts and backs of leaves
- Undulating, wavy margin edges
- Thin white margins are edged with tiny teeth
- Height: 8in
- Width: 24in

Mangave 'Inkblot' PPAF

MAD ABOUT MANGAVE™ Collection

(Mangave)

- Mangave 'Bloodspot' background
- Dark green leaves with small dark blood-colored spots that blend together
- An overall "dark" feel to the plant
- Many layers of leaves that totally fill out a terra cotta pot with no soil exposed
- Leaves curl up slightly at the margin to display its small marginal teeth
- Leaves 2in wide by 9in long
- Height: 6in
- Width: 20in

Mangave 'Kaleidoscope' PPAF

MAD ABOUT MANGAVE™ Collection

(Mangave)

- Deep green leaves with creamy yellow margins
- Overlap between margins and centers are creamy green
- Bright rosy red spotting dot the leaves, but the main feature is the fantastic variegation
- Margins are edged with tiny spines
- Low and flat habit with long, narrow leaves (1.5in wide by 11in long)
- Height: 10-12in
- Width: 24in

Mangave 'Lavender Lady' PPAF

MAD ABOUT MANGAVE™ Collection

(Mangave)

- Very full, rounded rosette
- Goes through color changes—starting with an overall smoky purple look
- Leaves lose purple coloration with age to green (two-tone look)
- The rigid leaves stick straight out—a strong Agave trait
- Marginal teeth/spines are white and very fine, feels like running your finger along a comb's edge
- Height: 9in
- Width: 12-14in

Mangave 'Man of Steel' PPAF

MAD ABOUT MANGAVE™ Collection

(Mangave)

- Very nice, small scale Mangave
- Fantastic habit with narrow leaves and an arching habit
- Unique color: leaves are very light, silvery green
- Leaves are thinly lined with cinnamon orange and give the leaves definition
- Long terminal spine—no marginal spines
- Leaves ½in wide by 6-7in long
- Height: 6-8in
- Width: 14in

Mangave 'Mission to Mars' PPAF

MAD ABOUT MANGAVE™ Collection

(Mangave)

- Main feature is the deep red, heavy spotting that blends together to make the leaves look almost all red
- Medium green-colored leaves, although this color takes a supporting role to the red spotting
- 2.75in wide x 12in long leaves that curve up at the margins
- The long leaves for an arching rosette
- Height: 8-10in
- Width: 20-22in

Mangave 'Moonglow' PPAF

MAD ABOUT MANGAVE™ Collection

(Mangave)

- Mangave 'Bloodspot' background
- Rigid and stiff leaves stick straight out from the center of the plant
- Unique in the sheer size of its dark spotting
- Silvery blue-green leaves with large black spots. The size of the spots gives the plant an overall dark low
- Leaves are low and flat with no curling
- Softer marginal and terminal spines
- Height: 8-10in
- Width: 20in
